As we move quickly into Term 2 there are more successes to celebrate, the first being the fantastic musical “It’s Worth a Shot” which ran from 8 – 10 May. If you missed it, you missed a really good show! Congratulations firstly to the script writers, Jackson Vaughan (12), Edward TeBay (12) and Isaac Cummings (12) who developed the storyline and then the play. Many students had input into the choice of songs which took me back down memory lane as this was the era in which I spent my adolescent years. Congratulations to all of the actors and musicians. As with any extra-curricular activity, it goes ahead with the support and hard work of staff. Thank you to Ms Monk (Musical Director), Mr Forbes (Musical Director), and Mr English and Ms Fairhall (Band Directors). Thank you as well to the students who worked behind the scenes, in particular Edward TeBay (12) (Stage Manager), India Monaghan (12) (Assistant Director), Liam Burne (12) (Lighting Operator) and Technical Assistants Sabina Gomboso (12), Philip Mols (12), Lucas Beaven (9) and Cameron Brown (9). Well done team!

On the sporting side, congratulations to Jayden Panella (11) who is representing NSW in the Junior National Championships and Masters President’s Shield in Ten Pin Bowling.

Congratulations to Jessica Potts (10) for her selection into the NSW All Schools CHS 15s Touch Football. Well done Jessica and good luck in the competition to be held 25 – 27 July at the Sydney Academy of Sport, Narrabeen. Congratulations also to Jolie Marsden (7) who competed in the U14 NSW State Championships and then the U14 Australian Championships of Waterpolo. Well done Jolie! Congratulations to Lachlan Hill (8) who’s team played very well in the Tokyo International Soccer Tournament. Lachlan was selected as Captain. Wow! Well done Lachlan. Congratulations also to Liam Heather (11) who continues to excel in his chosen sport of diving. Liam will compete in the NSW CHS State Diving Championships in May. Good luck Liam. Congratulations also to another student who continues to achieve success in her chosen sport of figure skating. Emma Carr (8) was recognised for her ongoing athletic successes at the Lake Macquarie Council Sports Award Dinner where she received the female encouragement award. This was the fourth time Emma has been a finalist and the second time she has won the award. Well done Emma!

Yes there’s more! Congratulations to Bailey Sheather (10) for his selection in the NSW CHS U15 Waterpolo team to compete in Auckland in July. Well done and good luck! Congratulations also go to Callam Lang (8), who was placed first in the NSW CHS All Schools Triathlon Championships (Junior Solo) held in Sydney in March and 4th in the National CHS Triathlon held in Bendigo in April. On the second day of the competition Callam won a gold medal in the NSW Junior team. Well done in such a gruelling event. Callam is also competing in the Hunter CHS Cross Country in July. Congratulations also to Holly Spooner (8) who won a bronze medal in the NSW CHS All Schools Triathlon Junior Solo event. Well done Holly!

Moving off the track and onto the basketball court, congratulations to Jacob Rauch (12) who played in the Hunter team at the NSW CHS Open Boys Basketball Championships. Jacob has been named to play in the NSW CHS State team to compete in early June. Good luck Jacob!

Moving into the musical arena – congratulations to ‘Codi Kaye and the Unappreciated’, consisting of Codi...
Pollock (12) Jarred Yates, (12) Liam Burnett and Connor Manwarring (12), who were placed third in the state wide Youthrock competition. Well done! I believe each of the finalists receive recording time as part of their selection. That is such an opportunity for this talented group of musicians. Thank you to Mr English for assisting the students and organising for their support audience. And finally, congratulations to Elise Jensen (12) who has been selected into the Talent Development Project (TDP). This is a program (held in Sydney), where talented singers audition. Finalists graduating from the program are offered the opportunity to perform as soloists in the NSW Schools Spectacular. Elise is a well-known singer who has participated as a soloist in the Hunter/Central Coast Starstruck performances for at least three years and has performed for many years in our Music/Art/Drama (MAD) evenings. Congratulations and well done Elise!

A big well done to the Year 7 Advisers, Ms Parker-Kennedy and Mr Mackay, for the highly successful Year 7 Focus Days held in early May. Students seemed to have had a wonderful day and many told me they had learnt new skills, found new confidence and made new friends. Mission successful! Thank you to Mr Best, Mr Glazebrook, Ms Riley, Ms Brown and Mr Sunderland who ran workshops on personal safety, Rock and Water, Cyber safety, resilience, anti bullying and school welfare and discipline - all delivered in engaging and informative ways. Well Done!

I couldn’t finish this string of successes without congratulating the Student Executive who organised our school’s contributions to “Shave for a Cure” on 8 May. Whilst fund raising is not primarily a role of the Executive, we do organise this event every year as a means of raising funds and awareness of cancer and cancer research. The funds raised were $183.20 for students to watch “The Shave” on Friday, with one student Mikaela North (11), raising over $1200.00 to lose her plaits! Well done everyone. Please see the photos further in the Bulletin.

Hopefully I haven’t missed any important successes or events – if so, please let me know. I am always appreciative of any successes passed on to me so that we can all celebrate.

Thank you for your ongoing support.

Dr Sharon Parkes
Principal

WARNERS BAY HIGH SCHOOL

P & C ASSOCIATION

The next meeting of the Warners Bay High School P & C Association will be held in room H1 on Tuesday, 27 May at 7.00pm for a 7.30pm start. At 7.00pm we will again start with some social time where everyone can talk over a drink and something to eat.

The P&C Association has the objective of supporting the Principal and Staff in the delivery of a high quality education for all those attending the school thus enabling each student to achieve his/her best possible educational outcome. We also assist in providing additional teaching aids, facilities and equipment for the benefit of all students by fund raising primarily through the operation of the school canteen.

We would like to extend an invitation to you to attend our meetings and use this great opportunity to become involved in your child’s education. What better support could you give your child at this important time in their lives. These meetings give you the opportunity to share your ideas on issues relating to your child’s education and talk to other interested parents.

The Principal and other members of the School Executive Team attend each meeting. The relaxed atmosphere of a P&C meeting provides the ideal forum to meet and get to know some of the school staff on a more social level. Your support will help to ensure that Warners Bay High School continues to be a great school and the first choice for both parents and students.

Another way of supporting your child’s education and keeping up to date with what’s happening at the school is to volunteer for the canteen. If you have a free day once a month, why not contact Wendy or Marj and put your name on the canteen roster. Your help is always appreciated.

At our May meeting the School Counsellor will be giving a presentation on ‘Supporting Students through the HSC’. Come and use this opportunity to get additional information on school programs.

We look forward to your continued support and hope to see you at our next meeting.

Phillip Jones
President
There is much to celebrate in the CAPA faculty this Bulletin. We have just finished our week long school musical, *It's Worth A Shot*, and it was a great success for the audience and the students and staff who participated in the event. I would particularly like to express my gratitude and admiration towards Mrs Sandra Monk, Mr Ashley Forbes, Mrs Natalie Fairhall and Mr Chris English for the effort, expertise and enthusiasm they have provided in order for the show to be such a success. I don’t need to explain the hours and hours of extra attention and tuition that is required to present a successful school production.

The students on stage, in the band and helping behind the scenes worked in a wonderful, creative and collegial manner and the result was an engaging and exciting production. Beautiful music and excellent dramatic theatre combined to provide the audience with a real treat. Thank you very much for the efforts that have stretched back as far as the Christmas holidays.

It is also important to mention the wonderful support of the rest of the CAPA Faculty who were there in great numbers each night to ensure that the show ran smoothly. Thanks also to Mrs Grant who runs a very tight Front of House, the wonderful office staff and of course the parents who committed their time to allow the students to attend the many rehearsals. I would like to also thank our major sponsor, Bibina. A job well done by all.

This term we have also seen great success with one of our school rock bands, Codi Kaye and The Unappreciated, who placed third in the DEC’s state wide initiative YOUTHROCK. The group consisting of Codi Pollock, Liam Burnett, Jarred Yates and Connor Manwarring of Year 12, won $2000.00 worth of prizes for the school and themselves. Codi’s exceptional song writing abilities were also recognised when she was awarded the Silverchair Song Writing Award of $1000.00 cash donated by the band, who were once winners of YOUTHROCK themselves.

This is such a wonderful achievement by Codi and her band. We look forward to the next stage of their road to fame and fortune.

Congratulations to Liam Bonnay (7), who has been awarded the Artist of the Month for April. Liam has displayed outstanding talent in his very brief time at Warners Bay and we will definitely see more of him in the future.

Our Artist of the Month for May is Grace Congdon (9) who has developed a beautiful self portrait and has exceptional drawing and design skills. Well done Grace.

Our Year 9 Drama students are exploring Children’s Theatre this term and we are very pleased that they will have the opportunity to perform their pieces for the local pre-school at the end of term. This is a great performance opportunity and I would like to thank the Year 9 Drama class and their wonderful teacher, Mrs Sara Foody-Smith for devising this initiative.

**ARTEXPRESS** will be at the Maitland Regional Gallery from 23 May until 6 July. This is a fabulous exhibition and features the work of both Jan Walker and Hannah Spradley from our 2013 HSC cohort.

Jana has also had her artwork shortlisted for purchase by the Department of Education and Communities for their student gallery in Bridge Street Sydney, a fantastic complement to her exceptional mark making abilities. Well done Jana!

Please note change of date for the Year 12 Graduation Ball to Thursday, 18 September 2014.

Merewether High welcomed Warners Bay High on a beautiful Autumn day in the second round of the 2014 Girls’ Football Knockout Competition.

Merewether was the team that started brightly, passing crisply and making those early one-on-one challenges count. Bay did their best keeping up, with Kirsten Marsh in fine form making a string of important saves. Bay tried to break but due to a congested midfield we had trouble holding onto the ball. In the first 15 minutes Merewether hit the post twice and tested the keeper a number of times. Merewether made their dominance count in the 23rd minute when a mistake at the back was pounced upon by their strikers to make it 1-0.

Not to be dismayed by this set back, Bay immediately set about righting the wrong and attacked with a fluid movement which saw the ball quickly move through the midfield. The ball found its way to Keira Millington who held off two defenders and calmly held her nerve to slot in past the keeper. Merewether were rattled at this point and were frustrated at Warners Bay’s ability to move the ball so quickly.

Warners Bay continued to press and nearly saw their efforts rewarded as enterprising play from Georgia Cook, Katelyn Lyddiard, Chloe Hepplewhite and Mikayla Woods forced the Merewether keeper and defenders to scramble. With confidence soaring, Keira Millington then tried an audacious bicycle kick which was on target; however, she did not get enough purchase on the ball and her fabulous effort was saved comfortably.

Merewether, not to be outdone, scored from a fine piece of play and a well-placed shot into the top left hand corner which evaded the stretching Kirsten Marsh. This meant that Bay were down 2-1 at half time.

The second half saw some brighter play from Warners Bay and it looked like we were going to benefit from a tiring Merewether High. Consistent hard work down the wings from Maxine and Alexis Regan, Georgia Cook and Sam Thorncraft led to constant attacks from Warners Bay and these girls worked tirelessly to provide an opportunity to goal.

Warners Bay continued to press, however, an own goal gave Merewether a 3-1 lead which took the life out of the Warners Bay attack. Several substitutions put some fresh legs on the park and Caitlin Clark, Taylor Reynolds, Lisa Crane, Natalie Williams, Tiarna Knight and Shannon Threlfall continued to press and defend with high quality. This forced Merewether to commit players forward and as a result this provided space for Warners Bay to play into. With Keira Millington constantly providing a threat, Merewether were forced to defend and were lucky not to concede.

A mix up at the back from Warners Bay led to a gentle chip over the excellent Kirsten Marsh, giving Merewether a 4-1 lead. This was a little too much to chase but Bay did not put their heads down and continued to pass and press Merewether. A technically excellent volley from Natalie Williams hit the bar and several shots forced the Merewether keeper into saves.

Player of the match was Chloe Hepplewhite who was superb in attack and midfield, and a colossus in defence. She was involved in most pieces of play and led by example. A very close second was the outstanding Georgia Cook who played with maturity beyond her years with exceptional pace and technical ability.

Warners Bay continued to support each other throughout the game, and they demonstrated excellent sportsmanship. It was a competitive and interesting match to observe and the girls can be very proud of the way they represented Warners Bay High School.

Warners Bay defend a throw-in, with Morgan Fall and Chloe Hepplewhite marshalling the defence

Football Co-Ordinator
Gifted Graphics Students

Year 8

Students in our Year 8 Graphics Technology elective (Semester 1) have been hard at work this term creating some truly impressive work!

In our 2D graphics unit, students have been learning technical drawing skills to create orthogonal drawings. Learning to lay out a technical drawing document, working with scale and ratio, understanding the different views of an object and learning to create precisely measured objects are the core foundation skills of careers such as Architecture and Engineering. In the Graphics industry, blueprints were traditionally created without the help of computers using pencil and paper. With the advancement of technology, in addition to traditional technical drawing skills, students must also have experience using Computer Aided Design software in order to be a successful candidate for employment. As a result, WBHS students are also learning 2D and 3D Computer Aided Drawing (CAD) skills using industry standard software.

In order to provide our students with 21st Century skills using current and emerging tools, students began learning the basics of Adobe Illustrator to create 2D vector images of Mickey Mouse and other cartoon characters of their choice. This was a very popular activity that resulted in a number of students producing more work than was required. Why? Simply because they love learning and they are good at it too! The work produced by many of our students was so incredibly detailed that it is nearly impossible to tell the difference between the student’s drawing and the original image from which they drew inspiration. Avatar by Nathan

How does drawing a silly cartoon character help our students to learn technical drawing skills? Once again, the answer is simple. Students will be able to apply the skills learnt last term to the next unit of work where they will expand into 2D graphic design and 3D models. If all goes to plan, the Year 8 Graphics students will be the first to use the school’s new 3D printer to print an object they designed!

Thank you to the P&C for helping the Technological and Applied Studies faculty to raise the funds needed to purchase a top of the range 3D printer and other accessories. After much anticipation, the 3D printer is due to be up and running mid-Term 2. An incredible tool such as this will undoubtedly provide our students with the equipment to develop the skills they need to be successful and competitive in life after school.

Mrs Peggy Mangovski
Computer/Technology Teacher

Take Home a Big Brother or Big Sister!

Give your children the wonderful opportunity to have an international big brother or big sister by hosting one of our exceptional international students arriving in Australia in July 2014 for their 5 or 10 month programs. Our international students from France, Germany, Italy, Austria, Japan, the U.S.A and Canada will live as a local, attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange.

Call your local co-ordinator,
Dianne on: 0429 406 126 for more information.

ROTARY AUSTRALIA & NEW ZEALAND STUDENT EXCHANGE
2015 PROGRAM EXPRESSIONS OF INTEREST OPEN

This program is designed for 14-16 year old students (In Year 8, 9 or 10 in 2015) to experience a true ‘exchange’ with a family in New Zealand. Local Students are matched with a New Zealand student and the New Zealand student will attend school in Australia during Term 2, 2015. Both students then return to New Zealand and attend school there for Term 3, 2015. The students’ family hosts the NZ student and includes them in their normal family life.

This is an exciting way to experience another culture with the support of Rotary. More information and expression of interest forms can be found at www.ranzse.org

Expressions of interest close 30 June 2014

WHAT IS THE FAMILY ENERGY REBATE?

The Family Energy Rebate helps to cover the costs of energy bills for NSW households with dependent children. In 2013 – 2014 the rebate gives:

• A $125 credit against electricity bills for eligible applicants who receive electricity from an electricity retailer.

• A $137.50 direct payment to nominated bank accounts for eligible applicants who live in a caravan or mobile home park and receive electricity from the park operator.

AM I ELIGIBLE FOR THE FAMILY ENERGY REBATE?

To be eligible you MUST:

• Be eligible for Family Tax Benefit A or B during 2012-2013 and have received a relevant payment; and

• Be the primary account holder of an electricity retailer, OR a long-term resident of a caravan or mobile park home, whose name appears on the electricity bills supplied by the park operator.

YOU CHOOSE HOW YOU WANT TO APPLY FOR THE FAMILY ENERGY REBATE

• ONLINE – it takes a few minutes to submit and processing starts immediately.

• PAPER – download a form from the website, complete and submit by email, fax or post.
The Warners Bay Boys’ Open Team progressed through to the finals of the Combined High Schools knockout which was held at Lambton Pool at the end of March.

The team finished third in the competition after a draw with the eventual winners in the round games which limited our chances to progress to the Final.

The team of Jack Mihell, Harry Mihell, Mitchell Marsden, Keenan Marsden, Ethan Reay, Lachlan Pease, Liam Beletich, Reece Pettit, Matt Mensforth, Jared Screen and Bailey Sheather acquitted themselves well throughout the knockout games.

Congratulations also need to go to Mitchell and Keenan Marsden who were part of the NSW CHS team that participated in the NSW All-Schools Championships held at Knox College earlier in March. Both boys were integral members of the team and contributed greatly to the victories over the Combined Catholic Colleges and the Combined Independent Schools teams. As a result of their performances they have been selected to be part of the NSW team to contest the Australian Championships later in the year.

WEP Student Exchange – Memories and Skills for Life!
Choose from over 20 countries around the world to attend school, live with a welcoming host family and have the time of your life. Whether you wish to learn another language or choose English-speaking destinations like the USA, Canada or Ireland, students return with memories and skills for life.

“Up until now it really hasn’t been real to any of us but now it’s all official. Victoria is so excited and can’t wait to leave. She has already begun emailing with her host mother and sister in Italy and will call on Skype on the weekend as the time difference makes it very hard during the week.
She is being hosted by a family who have a daughter her age, so she is now saying that she will have another sister. To make it even better still, they live in northern Italy so she will get to experience her first “white” Christmas. Thank you so much for your assistance in making Victoria’s Italy exchange a reality.”
~ Michelle - Mother of Victoria, semester program to Italy

Early Bird Special – Save $500
WEP is offering students in Years 9 to 12* a $500 discount off the 2014/15 program fee towards a semester or year program to any of the following countries departing in January - March 2015: Brazil, Belgium, France, Germany, Italy, Mexico, The Netherlands, Poland, Spain, Norway, Thailand or the USA. Early Bird applications close 30 May ’14.
*Offer not available to Year 12 students in Victoria or in conjunction with any other offer or scholarship.

Interested in Hosting an Exchange Student?
Travel from the comfort of your armchair by extending your family with an overseas host brother, sister, son or daughter. Hosting an exchange student is fun and can result in lifelong friendships. Our students are due to arrive in July for a semester and year and can’t wait to hear about the family they can call their own.

"Wonderful - joyous - heartfelt. An absolutely wonderful idea and so beneficial for all involved, from Family to school friends. We truly feel Enrico is another member of our family."
- Marie - host mother of Enrico (Italy)
