PRINCIPAL’S MESSAGE

As this bulletin finds its way into family homes, I will be in China on a business trip for the International Students Centre (ISC). My trip, with another secondary principal and interpreter, includes Beijing, Shanghai, Shenzhen and Guangzhou. The purpose of our visit is to meet many education agents to market NSW government schools and encourage an increased number of students from China to complete their secondary education in a NSW government school. Whilst we have only a small number of international students in our school (usually 4–6) each year, they bring a richness to the fabric of our school and extend our knowledge and understanding of other cultures. Our international students are often very competitive, particularly in Mathematics, Science and Business Studies. I am hopeful that my visit will encourage education agents to market NSW government schools and Warners Bay High to prospective students and their families. In my absence, the Senior Executive Ms Dal Zotto, Mr White (Relieving Deputy Principal) and Mr Best (when he returns from leave in Week 9) will “keep the ship afloat”.

Term 2 has been another busy and successful time. We have had a highly successful musical, athletics carnival and many excursions to extend and enrich student learning. We have had many successes on the sporting field which are outlined in the sports report however; may I congratulate: Jackson Ryan (Year 9) who won Bronze in the State CHS Swimming Championships in April. Jackson, swimming breaststroke (my favourite stroke to swim) was also selected to swim in the CHS All School team and won Silver. Well done!

Congratulations also to Sienna Allen (Year 8), who has been selected to compete in the FISAF National Aerobics competition at the Melbourne Aquatic Centre in mid-July. Good luck Sienna!

Congratulations also to Beaudon McDonald (Year 12), who has been selected to compete in the NSW All Schools Football team which competes in mid-June in Miranda. Good luck Beaudon and good luck also to Lucas Motum (Year 12), who has been selected to compete in the CHS Hockey team.

Moving from the sporting field to the water, congratulations to Lloyd James (Year 10), who has been selected for a berth on the Young Endeavour which sails from Mackay to Sydney as part of the Young Endeavour Youth Scheme. Lloyd will use this berth as the residential component of his Gold Duke of Edinburgh award. Well done Lloyd!

Congratulations also to Mitchell Marsden (Yr 11) and Keenan Marsden (Year 10) who have been selected in the Australian Schools Water Polo Team to tour New Zealand later this year. The boys had a long week in Noosa Heads playing in a tournament, where Mitchell was Captain of the NSW team and was named MVP for the tournament.

And now onto the stage; ongoing congratulations to Elise Jensen (Year 12), who was selected to proceed into the first round of auditions for Schools Spectacular, as a featured artist. Well done Elise, whose talents have been recognised for many years through Starstruck School Spectacular our musical events and through her involvement in the Talent Development Unit. Congratulations also to Maddie Taylor (Year 12) for her successful goal keeping in the Charlestown U21 representative Netball team which won the NSW State Championships. Maddie also played in the Hunter Netball team which won the NSW CHS Championships recently held in Coffs Harbour.

Thank you to the families who pass student successes on to me, so that we can all celebrate those successes.
Staff professional learning is an important component of quality learning outcomes for students. On Friday 11 July, we are holding a School Development Day (SDD) as an alternative to the one scheduled for last day of Term 4. For teaching staff unable to attend this day Ms Dal Zotto and I will deliver a similar Professional Learning (PL) Day minus the keynote speaker, James Nottingham. The focus of each day will be strategies to improve student learning by making them more responsible, self-directed learners. We look forward to this exciting professional learning opportunity.

In summary, thank you for your ongoing support. I look forward to another highly successful term when we return for Term 3. Please remember that Monday, 14 July is a pupil free School Development Day. The focus of that day will be for staff to learn more about the Nationally Consistent Collection of Data (NCCD) for students with a disability which will be mandatory for Australian schools in 2015.

Dr Sharon Parkes
June, 2014

WARNERS BAY HIGH SCHOOL
P & C ASSOCIATION

The next meeting of the Warners Bay High School P&C Association will be held in room H1 on Tuesday 22 July at 7.00pm for a 7.30pm start. We would like to thank Ms Marisa Dal Zotto for the information she provided at our May meeting on “Supporting Students Through the HSC” and Ms Trudy Farmer for her informative talk at our June meeting on the CAPA Faculty and the great work they are doing.

The P&C Federation is currently undergoing structural reform. The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operations pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting, and councillors who will serve on the Federation’s Board of Management. More information is available on the Department’s website at - http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php.

Parent support makes it easier for the P&C to achieve its objective of supporting the Principal and Staff in the delivery of a high quality education for all those attending the school thus enabling each student to achieve his/her best possible educational outcome. Fund raising through the operation of the school canteen enables us to provide additional teaching aids, facilities and equipment for the benefit of all students.

The school canteen is operating smoothly again this year. The donations from the canteen have enabled the P&C to fulfill its first, second and third term commitments plus we have been able to provide a bonus donation to the school. This brings our total school donations so far this year to $36,000. I would like to thank Wendy, Marj and the dedicated volunteers for their efforts.

We would like to extend an invitation to all to attend our next meeting. Ms Marisa Dal Zotto will be giving a presentation on “Visible Learning”. Come and use this opportunity to get to know the Principal, some of the school executive and other parents in the relaxed atmosphere of a P&C meeting. Your support will help to ensure the success of Warners Bay High School.

We look forward to your continued support and hope to see you at our next meeting.

Phillip Jones
President
UNIFORM ALERT

Our school has placed a priority on students being in uniform. This requirement is supported by the P&C. It fosters pride in the school, lessens the financial burden on families and provides a safer learning environment as we are able to quickly identify visitors (or unwanted guests) to the school.

The school Uniform Code is enclosed in this bulletin. As a reminder the following items are inappropriate for our school

- hooded jumpers
- tights / skin tight leggings
- skinny jeans
- multi-coloured items
- commercial logos on clothing.

Students are also required to wear black shoes. Financial support is available through the Students Assistance Scheme for eligible families (Years 7 to Year 10 only).

There will be a uniform blitz from the beginning of Term 3 and I am seeking your support in enforcing the Uniform Code.

If you have any concerns or queries please contact Ms Dal Zotto on 49549488 or email marisa.dalzotto@det.nsw.edu.au

CAPA News

STARSTRUCK 2014 recently closed its curtains on the last performance and by all accounts it has been a spectacular event. Warners Bay High School, as always, was well represented in both the soloists and in dancing sections.

We had numerous talented Year 12 students involved this year, including Elise Jensen, Siobhan Hull, India Monaghan, Lachlan Fisher, Lachlan Baita and David Slater. This was a wonderful opportunity for these students to perform in front of a very large audience and their talent and enthusiasm for the performing arts are a credit to their families and the school.

Our ‘dance troupe’ was again successfully involved and spent hours of time in rehearsal to perform at this event. I would like to congratulate these students on their success and in particular thank Mrs Rhonda Grant for the time and effort that she has put in over this semester. I would also like to extend a big thank you to the students’ parents who have been supporting both their children and the school through the making of costumes, ferrying students to rehearsals and performances, and generally making the whole event a pleasant one for both staff and students.

Students involved in STARSTRUCK dancing were: Brooke Akre, Grace Bates, Annaliese Bevan, Shenae Bingham, Emily Campbell, Amelia Coleman, Amy Curtis, Nicola Kilpatrick, Emma Lane, Sarah McDonnell, Adriana Romani, Emma Shepherd, Mikayla Smith, Elise Spradley, Taylah Starrett and Shannon Yates.

We also had a featured Tap Dance in this year’s production. The following students tapped to “These Boots Were Made For Walking”: Taylah Starrett, Emma Lane, Nicola Kilpatrick and Adriana Romani.

Mr English (CAPA) and Mrs Kell (LOTE) have recently started a Ukestra (ukulele ensemble) that is rehearsing weekly on Tuesday lunchtimes in A12. Interested Music students are encouraged to speak to either staff member about the ensemble as we are looking for more members! We look forward to their wonderful talent being a part of our next performance event. Perhaps our Talent Quest?

The Year 11 Drama class have recently been involved in the Hunter New England Health MindPlay competition. This is a wonderful achievement and a credit to both their clever
acting and scriptwriting, and to the hard work and diligence of their teacher, **Mrs Sandra Monk**. We consistently reach the finals in this competition which says a great deal about both the dramatic ability of our staff and students and the empathy and emotional intelligence of our students. The students were given the topic of Wellbeing and chose to focus on how the pressure of going from Year 10 into Year 11 can have a negative impact due to the increase in expectations. **Daniel Bos** plays the central character and the play revolves around the pressure he faces and the options he has to consider in this situation. For some of the students it was the first time performing and an opportunity to overcome their anxiety in a supportive environment. The rest of the performers were **Hayley Campbell, Chelsea Donahoo, Raenee Cherry, Lance Crane, Hanna Ewans, Rhys Harrison, Jasmine Jennings, Morgan Lewis, Pei Lin, Roger Ly, Roger Lin, Georgia Masters, Reid McManus, Kate Morris, Tabitha Mulhall, Alex Murray, Isobelle Russell, Tas Sagers, Daniel Taylor and Curtis Yates**. Also, a big thank you to parents who have helped with transporting and supporting students.

The students auditioned on 30 May at the Hunter Theatre and successfully made it through to the Grand Final on Thursday 19 June where they came third. Well done Year 11 and Mrs Monk!

Our artist of the month for June is **Shannon Simm** of Year 10. Shannon is a very clever student whose painting and drawing skills are exceptional. Well done Shannon.

Thank you to all who came to our first MAD Night in 2014. It was an excellent event and the art works and performances were, as usual, fantastic. I would like to personally thank the CAPA staff, in particular **Mrs Donna Pfister and Ms Lesley Armstrong**, who supervised the event in my absence.

Our next event is the HSC MAD Night where parents and friends will have an opportunity to see what all the fuss has been about with regard to HSC performances and Bodies of Work. It will be in late August and is always a wonderful evening. At the moment the CAPA HSC Students and staff are very busy with deadlines looming. I wish them luck and am very confident they will achieve excellent results.

Trudy Framer
HTCAPA

---

**PLEASE NOTE CHANGE OF DATE FOR THE YEAR 12 GRADUATION BALL TO THURSDAY 18 SEPTEMBER, 2014 AT WESTS**
On 1 June, 2014, four Year 10 Student Representative Council students and Mrs Hart travelled to Newcastle to be part of the Global Leadership Convention. The students had to volunteer for the four positions which were voted on by Senior SRC students. Decisions were based on previous involvement in SRC activities and enthusiasm. The students selected were: Lachlan Bailey-Yates, Lloyd James, Jade Donaldson and Georgie Whittington.

The Global Leadership Convention is run by World Vision. The aim is to prepare students for leadership roles in their schools and communities. Students are involved in simulation activities to give them an idea of what it is like to live in a developing country. This year the country being supported is Rwanda.

Right now millions of people in Rwanda don’t have enough food to eat.

Most Rwandan people work in agriculture, but the country’s dense population and hilly terrain mean good farmland is scarce. Outdated farming techniques and poor infrastructure resulting from the 1994 genocide, also contribute to insufficient harvests.

Many families experience regular food shortages, sometimes for four to six months or more. In the Northern Province, child malnutrition is even more severe than elsewhere in the country. Children eat just one or two meals on a good day. Some days they have no food at all. They go to bed at night hoping sleep will take the pain of hunger away.

Our students were very moved by what they heard at the convention. They will run the 40 Hour Famine at our school. You can see them in Term 3 to register and collect a sponsorship booklet. They will also be running some fun initiatives to raise money which we will tell you about on weekly assemblies.

The 40 Hour Famine is not just about giving up food. You can give up anything you like for 40 hours. Some suggestions are: technology, speaking and furniture. The aim is to raise as much money as you possibly can. The 40 Hour Famine takes place from 15-17 August, 2014. You can also register online, but be sure to join the Warners Bay High School group. We also have an Instagram account; so get involved and support each other. Search 40 Hour Famine WBHS.

We all hope you can be involved!

Mrs Hart, Lachlan Bailey Yates, Jade Donaldson, Lloyd James, Georgie Whittington.
**Bill Turner Cup Report**

The opening games of the Bill Turner Cup were eagerly anticipated by the Warners Bay students. St. Mary’s proved stiff opposition in the first half of the game, putting pressure on our defence and having the best of the early chances. Once our boys hit their stride there was no stopping the goals. Our fast paced forwards, Alex Williams and Jack Hardman, were dominant in attack with Luke McLachlan and Ares Gee providing the support. Both Jack Harman and Luke McLachlan were double goal scorers, with Cory Edwards pitching in with one goal. It was a solid defensive display with WBHS only conceding one consolation goal. Our only negative was the sad injury news for Harry Richardson who unfortunately broke his leg in a tackle. Warners Bay High players would like to wish Harry a speedy recovery and hope to see him back playing very soon.

Warners Bay played Toronto in the second game of the day and it was back to business immediately for Jack Hardman who finished the game with a hatrick of goals to help us win 5-1. Jensen Hunt and Kyson Brown were the other goal scorers, rounding off a very good performance. Alex Williams and Dareios Gee were excellent in defence. The team plays St. Pauls High School in Round 3.

**Results**

- R1 Warners Bay 5 v St. Mary’s 1  
  Scorers: Jack Hardman (2), Luke McLachlan (2), Cory Edwards

- R2 Warners Bay 5 v Toronto 1  
  Scorers: Jack Hardman (3), Jensen Hunt, Kyson Brown

**Bill Turner Trophy Report**

An excellent performance from the Warners Bay Girls, winning both of their opening round games in the Bill Turner Trophy, beating Toronto High and Belmont Christian College. The girls finished the day with 9 goals scored and zero against, which is an outstanding achievement. Kaitlin Lydiard scored 2, whilst Siobhan O’Halloran scored 1 to win the opening match of day, setting up a re-match of 2013’s 2nd round game with Belmont Christian College.

Once again the girls proved victorious with Georgia Cook scoring a hatrick of goals. She was helped by her sister Elly Cook, with Siobhan O’Halloran and Kaitlin Lydiard continuing their goal scoring from Round 1. An excellent display from all the girls with Samantha Thorncraft being the pick of the bunch for player of the day.

**Results**

- R1 Warners Bay 3 v Toronto 0  
  Scorers: Kaitlin Lydiard (2), Siobhan O’Halloran

- R2 Warners Bay 6 v Belmont Christian College 0  
  Scorers: Georgia Cook (3), Elly Cook, Kaitlin Lydiard, Siobhan O’Halloran

**Open Boys Soccer**

**Round One**

- Warners Bay 9 v Francis Greenway (1)  

**Round Two**

- Warners Bay 4 Glendale High 2  
  Scorers: Ethan Reay, Luke Barnier, Josh Chock, Beau McDonald

**Round Three**

- Warners Bay 2 v Cardiff High 0  
  Scorers: Ethan Reay, Luke Barnier

**Open Girls Touch Football**

Congratulations to the Open Girls Touch team who have qualified as one of the top 20 teams in NSW. They are due to play a team from the North Coast in the final rounds.

**Gala Day Results**

- WBHS 4 v Wingham 0
- WBHS 5 v Singleton 1
- WBHS 4 v Whitebridge 3
- WBHS 1 v Tomaree 5

Paul Jones  
PDHPE
CENSUS IN SCHOOLS

Over the next few weeks Year 7 students will be asked to participate in a Census At School questionnaire which is free and fun for students to complete. The aim of the census is to promote statistical literacy amongst WBHS students. It contains 31 non-invasive questions about students’ preferences and activities such as favourite types of music and how much time they spend on the Internet. The questionnaire is not compulsory; however, the more students who take part, the richer the pool of data they can access through our Random Sampler for use in analysis and investigation. Students cannot be identified from their responses and none of the information collected by the questionnaire will be used for research purposes by the ABS. I hope to be able to present some of the more interesting facts and figures in the next Bay Bulletin.

Mr T Husband
HT ADMIN/VET/Technology

LANGUAGES

LANGUAGE PERFECT

Language Perfect is an online languages vocabulary site that many of our language students have had access to from the beginning of the year. They can accumulate points as they learn, so we have been running term competitions amongst the Years 9, 10 and 11 students.

In addition, The World Series Championships were run over ten days between 19 – 30 May (as some parents will know full well....). We had many students beavering away, learning new words and cultural facts. The results were very pleasing with one student achieving an Elite Award (more than 10,000 points over 10 days!). She was given a good run for her money by four people achieving Gold Awards. Congratulations to:

- Elite Award: Maddi Richards (Year 10) 10,018
- Gold Award: Cailen Hewitt (Year 10) 7,171
  Emily Sugg (Year 11) 4,545
  Bayley Couzens (Year 9) 3,762
  Ellie Nelmes (Year 9) 3,044

These are phenomenal results over such a short period of time. The certificates will look good in their CV’s for a long time to come. We’re already looking forward to, and planning for next year’s competition.

EXCHANGE STUDENTS

Yes, it’s that time of the year already when we welcome many overseas students into the school and into our homes. Nineteen students from Suginami High School will be with us from 23 July to 2 August. A big thank you to our hosting Year 10’s and their families and to Mrs Karen Holmes who has organised a great timetable for them again.

Three students from France will be with us for the first three weeks of Term 3:

- Anh Vi Defaux (hosted by Alexa and Giorjia McFarlane-Newling)
- Mathilde Pinto (Hosted by Samantha Hallett)
- Tanguy Berthiot (Hosted by Lachlan Selby and Michel Courtois at school)

Three students from Hakodate (top island of Japan) will be with us for Term 3:

- Tsugumi Kawashimo (a 16 yr old girl)
- Hinako Horiuchi (a 16 yr old girl)
- Marina Ito (a 16 year old girl)

Looking forward to a great Term 3!

Food Revolution Day

On Friday May 16 Year 9 Food Technology participated in the Guinness World Record Food Revolution Day. Jamie Oliver guided the cooking experience via video, instructing the students on how to make a ‘Rainbow Salad Wrap’. The students broke the existing Guinness World Record for the largest cooking experience ever, with 7086 events around the world in 121 countries.

Jamie Oliver is passionate about nutritious healthy food for children and adolescents. He stated:

“We need every child to understand where food comes from, how to cook it, and how it affects their body. This is about setting kids up with the knowledge they need to make better food choices for life.”

All students showed enthusiasm and motivation throughout the experience and were grateful to have a yummy ‘Rainbow Salad Wrap’ for lunch. The cooking even involved some small bursts of exercise.

Special thanks to Erin Bromley, Kelsey Davey, Billie Schneeweiss, Laura Reinhard, Jonny Watson and Lewis Maughan who prepared the wraps. Thank you to 9FTX for making this possible and for taste-testing. Thank you to Chelsea McMahon, Rachel Myers, Laura Johnson, Seychelle Ball and Hunter Frost from Miss Allen’s Hospitality class who came and helped us with the cleaning.

It was a very special experience that won’t be forgotten soon.

Rainbow Salad Wrap

Ingredients:
- 2 small raw beetroots, different colours if possible (roughly 150g)
- 2 carrots
- 150g white cabbage
- 1 firm pear
- ½ a bunch of fresh mint
- ½ a bunch of fresh flat-leaf parsley
- 6 small wholemeal tortilla wraps
- 50g feta cheese for the dressing
- 5 tablespoons natural yoghurt
- ½ teaspoon English mustard
- 3 teaspoons cider vinegar
- 2 tablespoons extra virgin olive oil

Method:

Wash the beetroots and carrots under cold running water, scrubbing with a scrubber to get rid of any dirt (there’s no need to peel them).

Pick off and discard the wispy ends from the beetroots.

Hold a box grater steady on a chopping board, then gripping the root end, coarsely grate the carrots, stopping before your fingers or knuckles get too close to the grater. Place the grated carrots into a large bowl.

Coarsely grate or finely slice the cabbage, then discard the core and add to the bowl.

Remove the stalk from the pear, coarsely grate (core and all), then place it into the bowl.

Finally, hold the root end of the beetroots and coarsely grate (you may want to wear rubber gloves for this), then add to the bowl.

Pick the mint and parsley leaves, then discard the stalks. Tear or finely chop the leaves on a board and add to the bowl.

Add all the dressing ingredients to a jam jar.

Put the lid securely on the jar and shake well.

Have a taste and see whether you think it needs a bit more yoghurt, vinegar or oil – you want it to be slightly too acidic, so that it’s still nice and zingy once you’ve dressed your rainbow salad.

Drizzle most of the dressing over the salad – just remember you can always add more but you can’t take it away, so be cautious.

Divide the salad between the tortilla wraps, then crumble a little feta over each.

Roll up the wraps, tucking them in at the sides as you go, then serve.

ADMINISTRATION AND TECHNOLOGY.

Flipped Learning Initiative at Warners Bay High

Flipped Learning at WBHS is all about turning learning upside down by doing homework in the classroom and lessons at home via videos and screen-casts developed by teachers. The theory behind this is that students can come to class having pre-learnt much of the basic material and then be able to participate in more productive learning activities in the classroom with the assistance of the teacher who is now freed from the front of the room to assist small groups and give individual instruction. The trial is currently running in 7 Geography, 11 Business Studies, Maths and IPT with selected classes. For more detailed information you can go to the school website technology page to view lessons and download more information.

Informal feedback from students and parents has been overwhelmingly positive and we will be looking to roll out the initiative to more classes after a formal processing of feedback from all stakeholders. Other teachers currently employing Flipped Learning include Mr Glazebrook (IPT) and Mrs Mangovski (TAS faculty)

Mr T Husband
HT Admin/VET/Technology

Attendance

A big thankyou to all parents/carers that have encouraged their students to get to school on time or with a note if late. Our late student strategy which involves making all students accountable for their tardiness in getting to school on time through interviews and sanctions has proven tremendously successful. We have halved the number of students arriving after the bell for all years and dramatically reduced the number of senior late for Period 0 classes. This all leads to a lot less disruption for early classes and a more productive learning environment for all students. Remember if your student is away for long periods of time we have exemption forms which cover a wide range of circumstances. These can be obtained from the front office.

** Product Care will replace (not repair) a faulty device, usually within 10 working days of it being returned to Domayne. Please see in store for details.**

** Additional offers **

- Jot Pro Stylus (For writing/drawing on screen) $33
- 3 year Replacement Product Care $88**
- Norton 360 3yr Anti-Virus Software $88

** Package WBHS4 **

To take up this offer, please bring this flyer to

Domayne, 18 Bradford Close, Kotara.
Dear Parents and Carers,

Domayne Commercial is pleased to offer you these specially priced education bundle deals.

These devices have been selected by your school as being recommended for student use in the new BYOD program.

Through a partnership with the school, we can offer you a commercial pricing on your purchase (compare our prices!) while making sure you get the right device at the best price for your child’s education needs.

Benefits of taking up this offer include:

- Extremely competitive pricing – compare our prices!
- Get the right device for your child’s education
- $88 3 year Replacement Product Care (see in store for details)
- $88 3 year Norton 360 Internet Security (valued at $299) keeps the device secure, and includes Parental Controls to monitor your child’s internet use. Works on 5 devices so you can use it on your home computers too.
- 6 months Interest Free terms available to approved purchasers
- One point of contact if there is a problem or question (Domayne). We have a full time technician on hand Monday to Friday to answer your questions and handle any warranty issues.

To take up this offer, please bring this flyer to Domayne, 18 Bradford Close, Kotara.

CULTURAL TOUR TO THE 
NAN TIEN TEMPLE

On Wednesday 14 – Thursday 15 May 2014, 26 students from Years 11 and 12 Society and Culture classes and Year 10 International Studies went on an excursion to experience different belief systems.

Helensburgh’s Sri Venkateswara Temple is one of the most popular and impressive Hindu temples in the Southern Hemisphere, drawing visitors and Hindu devotees from all over New South Wales and the rest of Australia.

The small, isolated town of Helensburgh may seem like an odd choice for the location of such an important religious landmark, but it was chosen in 1978 as an abode for Lord Venkateswara and Goddess Lakshmi in accordance with Vedic principles. The five requirements for the construction of a Hindu temple are:

- Virgin land (no building can ever have stood there before)
- Island land (of course, Australia is the biggest island in the world. Also, there are no neighbouring buildings on the piece of land and it is made into an ‘island’ by the roads on each side of it.)
- Land surrounded by forest (no shortage of bushland surrounding Helensburgh)
- Close to a water source (the temple is located close to the area’s beautiful Kelly’s Falls and surrounding creek system)
- Close to the ocean (famous Stanwell Park Beach is only a ten-minute drive from the temple)

We then travelled to the Nan Tien Temple where we were expected to maintain noble silence, follow a strict vegetarian diet and partake in a number of cultural activities including Tai Chi, Tea Chan and a specific Dharma talk (on Buddhist beliefs).

We received a guided tour from the knowledgable Bob (a lay Buddhist), which involved the unique visual experience of the buildings, statues, shrines and beautiful gardens. It also provided an insight into Chinese culture and the beliefs and practices of Humanistic Buddhism.

Their onsite museum holds a range of carvings on wood and jade and a number of works demonstrating developed skills such as paintings on a grain of rice and writing on a strand of human hair.

Students were kept busy by the Venerables (monks), even mastering the tea ceremony until 9pm and were required to rise at 5.30am to partake in the monk’s daily life of drumming, chanting and prayer. We then had a tai chi session before breakfast at 7:30am where students were grateful for the arrival of hash browns.

The Nan Tien Temple is situated at Berkeley - a suburb of Wollongong - in the state of New South Wales. It is one of the branch temples of Fo Guang Shan, founded in 1965 by Venerable Master Hsing Yun, which has over 200 branches worldwide. “Nan Tien” in Chinese, literally means “Paradise of the South”. This is the biggest Buddhist temple in the southern hemisphere.

Since the opening of the temple in October 1995, it has become an attraction for local and international tourists and also acts as an important cultural centre bridging different cultures.

We missed a photo opportunity with all of the students in their scarves covering their heads at the Lakemba Mosque (Imam Ali Bin Abi Taleb Mosque). The visit to the Mosque was very insightful; we took a tour of the premises and performed the procedures necessary in each of the separate wash rooms. It was an opportunity for teachers and students alike to ask any questions they had on the religion.

The Lebanese Muslim Association (LMA) was established in 1962 by a group of Lebanese immigrants, to provide social, religious, educational and recreational services for the Muslim community. In 1972 the construction of the Imam Ali bin Abi Taleb Mosque was completed.

The LMA supports new initiatives that advocate for social harmony in a multicultural environment and raise awareness about Islam. Currently the LMA works with government agencies, not-for-profit organisations and corporate partners to provide much needed community services.

We finished the second day with a trip to a traditional Lebanese Restaurant ‘Jasmins,’ where we feasted on Hommus, Babaghanouj, Garlic, Tabouleh Salad, Pickled Salad, Shish Kebab, Kafta, Chicken, Falafel, Kebeh and baklava. Some people found the garlic dip irresistible.

Your enrolment can be submitted online 24/7. Enrolments close on the Monday one week prior to camp. Book early to avoid disappointment.

**How to enrol**
Korean Culture and Food

On Wednesday 18 June, thirty three International Studies students from Years 9 and 10 visited the “Taste of Korea” restaurant in Charlestown as part of our ongoing study of Asian culture.

We experienced authentic Korean cuisine in a modern setting. Our lunch consisted of three different traditional dumplings and two Korean Barbeques (chicken and beef) cooked with vegetables including onions and Chinese cabbage. The meals were served with sides of delicious short grain rice and a salad with a sweet soy sauce and sesame dressing.

The owner, Mr Yoon, and his staff visited each of the tables and shared their knowledge about other traditional foods eaten in typical Korean families. They also told us about the famous dish kimchi and its importance in everyday Korean life. It is a fermented vegetable dish loaded with garlic and chilli that is usually eaten by Koreans at every meal including breakfast.

Both classes are currently involved in a program of video conferences with schools in Korea and believe our cultural understanding and ability to participate in these conferences have been enhanced by this experience.

We all enjoyed the excursion and are glad we had the opportunity to sample Korean food and culture. We appreciate the work of our teachers Mrs Dieleman and Ms Weston who organised the excursion and would like to thank them, along with Miss Lucas, for accompanying us on the day. We all hope we get the chance to visit again.

Ms Kendall Dieleman
International Studies.

Chess Team

The school chess team played their most recent game against St Pius Xavier in Adamstown earlier in the month. A very hard fought contest was decided in Warners Bay High School’s favour as Hamish Broadhurst-Tynan in Year 12 won the first table match. Both sides had a win and there were two games which ended in stalemates, so it certainly was the narrowest of victories. Warners Bay also won the sartorial stakes as St Pius was having an out-of-uniform day and looked somewhat casual in contrast to our students in their blazers! Both teams had a good morning and enjoyed some social games after the competition contest.

Chess Co-ordinator
Ms E. Moss
SHINE Program

The SHINE program for our female students at Warners Bay High has been implemented for the past five years. This year we have had the wonderful opportunity to raise funds for the continuation of the SHINE program for both our young people and a similar program for mothers. Our SHINE girls participated in the 5 kilometre walk. A total of a total of 180 kilometres were covered by participants.

The walk raised over $10 000, with Lilliana Bryson raising $140. Well done Lilliana! Molly Besgrove, Melody Campbell, Caitlin Haddleton-Burgess and Cassidy Clarke also participated. The fund raising had a total of 100 participants with 10 ladies walking the entire 180 kilometres. UNBELIEVABLE!

A big thank you to Kate Robinson for taking the girls on the walk and also the SHINE co-ordinators for making the SHINE program so worthwhile.

Jo Riley
