UNE - a University with a difference

UNE offers you an education that’s truly world class. State-of-the-art teaching and research facilities, sporting amenities and vibrant residences mean that you have at your disposal everything that you need.

The University of New England was the first Australian university established outside a capital city. With a history extending back to the 1930s, UNE has a well-earned reputation as one of Australia’s great teaching, training and research universities.

While UNE has a long history and strong tradition, our outlook is dynamic and fresh. Our focus is on the future, ensuring that your education and qualifications are relevant. More than 80,000 people now hold UNE qualifications; many hold senior positions in Australia and overseas. At UNE you will experience a personal education that will set you apart.

Studying on campus means you will be immersed in a vibrant living and learning environment - a community where you will make lifelong friendships. We have smaller class sizes, an open door philosophy and the kind of campus where you’ll actually want to spend time. Not to mention highly qualified teachers who come from all corners of the globe. This on campus environment ensures that you’ll get an education that’s as unique as you are.

New Courses in 2014

About UNE Early Entry

UNE Early Entry is a program that allocates a place at UNE to current Year 12 or equivalent students. It is based on your school’s recommendation, rather than your final marks. Places are awarded to recognise your hard work and contribution to school life throughout your high school years. There are lots of great reasons to apply for Early Entry, such as:

• wanting to know early that you have a place at UNE to relieve the pressure of waiting for results, or so you can plan your big move
• you have studied subjects that won’t get you an ATAR or OP (or equivalent), but you still want to go to UNE; and
• extra security to make sure you get into the course of your choice.

How Early Entry works

The UNE Early Entry program relies on your school’s carefully balanced assessment of your ability to cope with study at university, rather than your ATAR or OP (or equivalent) score.

The assessment is based around your personal attributes, such as your ability to work and learn independently, as well as your overall potential for academic success at UNE. Your School Principal will complete the recommendation and rank you on a number of attributes and abilities, which will be used to assess your suitability for university.

Who can apply for Early Entry?

Early Entry is available for most UNE degrees, for;

• current Year 12 students
• fulltime students preparing to sit the full NSW HSC in TAFE colleges in NSW and the ACT
• fulltime TAFE Tertiary Preparation Certificate students

You must also intend to study fulltime and on campus in Armidale for at least two consecutive trimesters in your first year of study. You can accept the offer and defer for up to two years.

How to apply for UNE Early Entry

Step One
Apply to UAC or QTAC for a place at university. It doesn’t matter if you have not decided which courses you would like to list as your preferences, as you can change them anytime. You need to apply to get your UAC or QTAC number, which is required on your Early Entry application form.

Step Two
Remove the brown Early Entry application forms from the back of this brochure. Write your UAC or QTAC number and name at the top of each page. Complete Part A of the form.

Step Three
Deliver your form to your Careers Adviser (or whoever is responsible for them at your school).

Step Four
Relax while your school completes Part B of the form and submits it to UNE on your behalf.

Step Five
You will get a letter from UNE advising you of the outcome of your Early Entry application at UNE.

Step Six
Adjust your preferences with UAC or QTAC, if necessary, to make sure you get an offer in the early rounds.

Step Seven
Accept your offer of admission through UAC or QTAC.

There is an application form for Early Entry in this brochure. Download additional copies from une.edu.au/earlyentry
Early Entry

When will I know if I have been successful?
You will normally know by early December if your Early Entry application is successful. The success of your Early Entry application is only ONE step of the process. You must also accept an offer of a place at UNE from UAC or QTAC.

To get an offer in the early offer rounds, you must make sure your first preference is a course you have been granted Early Entry for.

If you do not have an Early Entry course as your first preference, you will not get an offer in the early rounds.

What happens if I am unsuccessful?
If you have been unsuccessful with Early Entry, it doesn’t mean you won’t get a place at UNE. Unsuccessful applicants will still be considered through the regular UAC or QTAC rounds.

What if my circumstances are different? Should I apply for Early Entry?
Early Entry is designed primarily to recognise the commitment and ability of students who have applied themselves throughout high school. However, we also recognise that sometimes things don’t go to plan. If you are intending to study full-time on campus in Armidale, you should apply for Early Entry.

Are you asking yourself one of the following questions?

• Haven't had a good year?
  It does happen – personal issues and illness can affect your academic performance. If you think you’re better than your marks indicate, applying through Early Entry can get you a place at UNE, based on your teachers’ knowledge of your prior performance.

• Nervous about exams?
  If you are one of many students who get stressed by exams, Early Entry allows you to apply on the basis of all the good work you have done throughout school, rather than just your ATAR or OP (or equivalent). We urge you to try your best in your exams, but Early Entry can take the pressure off your final exams.

• Learning a trade but changed your mind?
  If you've done a lot of VET courses in Years 11 and 12 because you wanted to learn a trade but now want to go to uni instead, you may not be eligible for an ATAR. Apply for Early Entry. You don’t need to qualify for an ATAR to apply for Early Entry.

• Taking a gap year?
  If you apply through Early Entry, you can secure a place at UNE. Simply accept your offer at UNE and put in a request to defer in early December. This means you can get on with planning your gap year and your place at UNE will be here for you when you return.

• Want to know what you’re doing?
  If the degree you want is a UNE degree and you don’t want to rely on the main rounds, applying to UNE through Early Entry means you are more likely to secure your place in the degree you want.

• No good at waiting?
  If you don’t want to wait until the end of January to find out where you’ll be spending the next few years of your life, apply for Early Entry and know where you’ll be at the beginning of December. You’ll be able to enjoy the end of school, your holidays and move to Armidale when you’re ready, rather than during the mad rush when everyone else is moving.

• Worried about scaling?
  If you did non-academic subjects and think you’ll be scaled down which won’t represent your true abilities, apply for Early Entry and get into UNE on the basis of your abilities, not your marks.

• High achieving student?
  If you’ve worked hard all through school, get your reward by being offered a place at UNE early.

• Struggled at school?
  You can still apply for Early Entry, but if you struggled at school you should consider doing our alternative entry programs ie. Pathways Enabling Course or TRACKS Tertiary Preparation Program which will provide you with extra help and study skills to make the smooth transition to university. You can find out more about these options at une.edu.au/pathways or freecall 1800 818 865

Living on Campus at UNE

Talk to current or former members of UNE’s highly regarded residential system and you will quickly understand that living in college is one of the most rewarding and memorable experiences you can have in life.

Living on campus means you are in the ideal position to enjoy the living and learning experience to the fullest. Both socially and academically, you are right at the heart of the action. Lectures, library, venues and services such as shopping, banking, hairdressing and health services are all within walking distance on campus.

Sport is a big aspect of college life. UNE’s sporting clubs cater to everything from martial arts to mountaineering; from football to water polo. You’ll be living right next door to SportUNE and the great facilities it has to offer. You’ll find heaps of opportunities to get involved in drama, music, film, games, business, and other activities and groups. College residents also receive exclusive academic and personal support from appointed residential leaders.

UNE’s residential accommodation is made up of 7 residential colleges and a village of self-contained units. Each college has its own distinct character and all welcome students into incredibly friendly, inclusive and supportive communities. Each residential college calendar is packed full of great activities. There is always something happening from dress-up trivia nights to barbeques, camps to fundraisers, formal dinners to college balls.

The residences offer over 2000 residential places, with fully catered, self-catered, meal plan and Flexi Choice options.

- Austin College (Meal plan of 14 catered meals per week available or Flexi-Choice, disabled facility)
- Drummond and Smith College (Flexi Choice)
- Duval College (Flexi Choice)
- Earle Page College (Meal plan of 14 catered meals per week available or Flexi-Choice)
- Mary White College (Meal plan of 10 catered meals per week available or Flexi-Choice, disabled facility)
- Robb College (Meal plan of 14 catered meals per week available or Flexi-Choice, disabled facility)
- St. Albert’s College (fully-catered, self-catered)
- Wright Village apartments (self-catered, disabled facility)

Catering Options

At UNE Colleges, your fees include a fully furnished study bedroom, fresh linen and your room cleaned each week. All services such as heating, water and electricity are included. You also don’t have the costs of setting up a household.

Fully-Catered

St. Albert’s College has fully catered accommodation, which means that you will have 3 meals per day, 7 days per week provided and the cost of these will be included in your fees.

Flexi Choice

Duval College and Drummond Smith College, offer ‘Flexi-Choice’ catering, which means that you choose what meals you pay for using a pre-paid meal card. Snacks are available from the ‘café style’ retail outlet, and there are also core meal times each day for breakfast, lunch and dinner.

Meal Plans

Austin, Earle Page, Mary White and Robb Colleges residents have access to 21 catered meals per week in the respective College Dining Halls. These meals can be pre-purchased as a package at a discounted price at the start of each term. Meals are also available using the Flexi Choice option.

Small kitchenettes within these colleges’ residential buildings allow for basic food preparation such as sandwich making and preparing snacks.

Self-Catered

At Wright Village Apartments your flat will contain a kitchen where you are able to prepare all of your own meals. You will need to demonstrate 12 months of independent living before being eligible for Wright Village.

At St. Albert’s College, students in their second year or beyond may select a self-catered option. You are then able to use the student kitchens to prepare all of your own meals. This allows you to have the College experience while also having the flexibility of having your own meals when you want them.

Managing your costs

Living on campus at UNE saves you money. Surprised? It’s true. When you add up the cost of food, utilities, transport and everything else, living in college turns out to be a cost-effective option. Pretty much everything you need is within easy walking distance, and there are lots of extra benefits. One weekly payment covers everything from your fully furnished study-bedroom, through to weekly cleaning, fresh linen, academic support, and your own telephone and IT hook-up.

To keep the Colleges and Wright Village comfortable, up-to-date and secure, there is an up-front annual building maintenance levy for all residents. All colleges offer financial assistance through scholarships and bursary schemes. Some potential for part-time work also exists within the local community.

Living in a UNE College puts you right in the centre of all the action.

FAQs

Can I submit the Early Entry form to UNE myself?
No. Early Entry applications require your school to complete their recommendations. Any application without a school stamp and the signature of the School Principal or their delegate may not be processed. Gap year students must submit their application to the school where they completed Year 12.

I have applied for Early Entry. When will I know if I am successful?
You will usually be informed by early December if you have been successful in your application for Early Entry. You must still apply through UAC or QTAC as normal.

I have studied for a year at another university. Am I still eligible to apply for Early Entry as a gap year student?
No. A gap year student is someone who completed Year 12 in the previous two years, but has not studied at any university.

Are Early Entry applications confidential?
Yes. Your information is only made available to those assessing your applications. The supply of this information by you is voluntary; however if you do not supply all the requested information we may not be able to assess your application.

You have the right to access and/or correct any of your personal information held by the University, subject to the reasonable convenience of the University. UNE’s privacy policy can be found on the website at une.edu.au/rmo/policies/privacystatement.htm

Can I apply for both Early Entry and a Scholarship?
Yes. However, those students who are not eligible to receive an ATAR or OP (or equivalent) are not eligible to apply for some scholarships.

Exchange and studying abroad at UNE
If you are looking for an overseas experience, another great option is to start your studies, and then look into an exchange programme so you can study and travel at the same time. UNE has partner universities all over the world where you can complete a part of your degree.

For more information on studying abroad, visit: une.edu.au/imp/study

What about a gap year?
Want to go to university but want to go backpacking around Europe too? Or maybe want to work for a year so you can buy a car or just generally not be broke at uni? You can.

The best way to do it is to ‘defer’ – you accept your offer at UNE like you would normally, then ask if you can start later simply by sending an email to AskUNE. Most courses at UNE allow you to defer for up to two years for on campus study.

You can then go on your holiday or off to work, secure with the knowledge that we are holding your place at UNE open for you.

If you get your place through Early Entry you can have it all organised in December, freeing you to start enjoying your gap year adventures earlier.

Can I take a gap year and a half?
Under the existing rules, you may have to work for more than 30 hours per week for 18 months before you can claim the independent rate of Youth Allowance. We understand that, for many students, the independent rate is necessary for them to be able to afford to go to university. As always, please check with Centrelink as everyone’s circumstances are different.

Most courses will allow you to defer for up to 2 years if you are planning to study on campus, so yes, you can defer for a year and a half. However, some courses cannot be started in Trimester 2, and you will need to defer for the full 2 years. Check the course and units guide on the website or seek advice from the Future Student Team on 1800 818 865 or facebook.com/unefuturestudents

Can I study by distance?
No. Early Entry is only available to students who will study on-campus, as an ‘internal’ UNE student who attends University in Armidale.

A Campus Tour might be just the thing to help you decide where to study.

On a UNE Campus Tour you will see our vibrant residences, state-of-the-art sporting facilities, our libraries, cafes, shops and lecture theatres.

See where you'll live, study and play in a two hour tour; or we can tailor a tour to suit you. Campus Tours run all year round by appointment (excluding public holidays). Bookings are essential. Families and friends are welcome.
